

Brookhaven Basketball Guidelines

The Brookhaven Board of Directors noticed that you have a portable basketball hoop that is against the street in front of your home. They would like to remind you of the following and ask that you comply as soon as possible:

- All basketball goals may not be placed in the street or on the sidewalk
- All basketball goals cannot impede any public ways.
- All basketball goals must be secured per the manufacturers recommended instructions. If your basketball goal is currently being held in place by bags of sand or used tires or anything that is NOT what the manufacturer recommended, please have this remedied as soon as possible.
- All basketball goals must be approved by the ARC committee.
